'round town

with Betty Allen...

That May and December marriage solemnized here didn't last very long, did it? And Judge Blaine said the 83-year-older looked so pleased with his 19-year-old bride!

Hans Nielson, an active member of the Keith Discussion Group, was one of the winners of the contest recently sponsored by that group. Nielson's subject was "What Are the Causes of Depression?" Members of the group meet to discuss pertinent timely topics.

Local football enthusiasts have been busy . . . there was the lightweight game with Los Gatos on Thursday, the regular team's victorious game with Menlo on Friday, and the San Jose State game on Friday night, to say nothing of the Stanford, UCLA game on Saturday. At all of these there was a goodly sprinkling of Campbell devotees.

The youngsters in the Cambrian district are all set for the big Hallowe'en party tonight given jointly by the Pepper Tree Market and Frank Coombs.

On Tuesday members of the Country Woman's Club who attended the radio program, "Breakfast at the Village", a daily feature at Lou's Village in Burbank, broadcast over Station KLOK, had a fine time and proved they were no slouches when it came to walking off with the prizes.

Mrs. Ira Grim received the orchid given each day to the guest present who has the most children. In addition she was kissed by the announcer and master of ceremonies at the same time. Wonder what it feels like to have two men kiss you at once? . . .

The jackpot question was "What Is the Population of San Jose?" and Mrs. D. B. Pressler won with an answer which only missed by six! Her prize was a hard-to-get electric toaster.

Mrs. Archie Keesling's vivacious personality quite won the M. C., and she was presented with theater tickets just because he liked her. Receiving tickets entitling them to return for another breakfast were a table of singers composed of Mrs. Franklin Blaine, Mrs. C. L. Robert Carlson, Congregational minister, has submitted the following quotation from John Dewey, which he thinks applicable to the incorporation discussion: "To remain in power a dominant class must at least seem to the mass to represent and to sustain interests which they themselves prize. There is thus added to the conflict of the old and established class with the inferior but developing group, the conflict of values that are generally accepted with those which are coming into being. This for a time takes the form of a struggle between a majority consrving the old, and a minority interested in the generation of something new, in progress. Since it takes time for an idea to gain recognition and for a value to become appreciated and shared, the new and relatively unorganized, although it may represent a genuinely important social value, is felt to be that of dissenting individuals. The values of a past society which are to be conserved are recognized as social, while those of a future society which has yet to be brought into being are taken to be those of individuals only."

Candidates For Local Offices Get Set For Final Race

Local interest in Tuesday's election is centered on the offices of Constable and Justice of the Peace with two candidates running for each office.

John D. Blaine, incumbent, is up for re-election after serving for five consecutive terms. He was at one time in business here and since retiring from it has made a reputation for himself as a writer on the subject of education. He is also a member of the Campbell Union High School Board of Trustees. In the primary election he had a lead of 85 votes over his opponent.

Martin Walsh, who is opposing Blaine for the position, is a practicing attorney, a member of the Kiwanis Club, the Orchard City Grange, and has for many years served as secretary for the Campbell Chamber of Commerce. He is active in community affairs such as Old Settlers' Day, Community Chest campaigns and Tuberculosis Seal Sales.

In the race for Constable are Ethan Lanphear, incumbent, and Harry Evans. In the primary election Evans led over Lanphear, but missed a majority by a narrow margin. He is at present employed by a group of merchants to serve as night watchman. In 1938 he was elected Constable and served in that office until 1940, when he was called into the Navy in which he served until 1945.

Lanphear, who is running for re-election, was at one time connected with the bank here and now operates the Campbell Hotel. He is secretary of the Board of Fire Commissioners, a member of the Board of Directors of the Sanitary District, and is a past president of the Community Council. He is also a member of the Kiwanis Club and the Footlighters.

Also to be elected Tuesday is a County Sheriff. A close race is predicted between the two candidates, Thomas G. Graham, undersheriff, and Howard Hornbuckle, veteran, who led in the primary.

COUNTY HIGH SCHOOLS TO RECEIVE $814,497

High school districts of Santa Clara County will receive a total of $814,497 from the State for support during the present school year. This provides an average of $95.73 for each of the 8508 pupils in the average daily attendance record, according to the California Taxpayers' Association.

On a comparative basis, this average is equal to the 1943 average of $94.22 for the 10,085 students in daily attendance then. A decade ago, for 1938, the total State apportionment for high school districts in the county was $181,068, an average of $94.55 per pupil for the 8652 attendance.

TELEPHONES PARENTS FROM TOKYO

S/Sgt. Lawrence T. Cowper recently talked with his parents, Mr. and Mrs. Thomas T. Cowper over long distance telephone from Tokyo, while on a week's leave from his base at Fukuoka. Sgt. Cowper has been overseas 14 months and is now in charge of a dispensary in a quartermaster depot, on Kyushu Island, which furnishes medical aid for some 1500 troops. He is entitled to wear the Asiatic-Pacific, Good Condust, Japanese Occupation, World War II Victory medal with two presidential citations. The citations were awarded his unit—the 24th Medical Battalion. His only personal contact with Campbell was the meeting with Tom Nicholls in Sesebo last January.

Sgt. Cowper was graduated from the Campbell High School and was attending State College as a pre-medical student when entering the army. He hopes to be at home for the coming holiday season.

Many State And Local Endorsements For Proposition 3

By LOUISE TORDT

Realizing that Proposition 3 is the only solution in solving the teacher shortage problem which will become more acute in the next few years if not passed, many State and local organizations as well as local individuals have pledged their support to this proposition.

The State organizations of the AFL and CIO, American Legion, Veterans of Foreign Wars, Disabled American Veterans, State Grange, League of Women Voters, Native Sons and Daughters of the Golden West, American Association of University Women, and Congress of Parents and Teachers, are but a few of the many State groups in favor of the measure.

Local organizations from whom endorsements have been received are: The High School and Grammar School Trustes, the High School PTA, the Cambrian Board of School Trustees, the Cambrian Men's Club, the Cambrian Home and School Club, the Campbell Grange, the Pomona Grange, and the San Tomas Improvement Club.

Local individuals who have endorsed the measure are: Guy Farley, Herb Shadle, Fred Jones, Rev. Lawrence Osborne, Rev. Robert Carlson, Ethan Lanphear, Joe Gomes, Lawrence Hill, Wm. C. Henley, G. Martin Allen Jr., Lloyd Gardner, Ross Trowbridge, E. L. Farnham, Walter W. William, Jack Murdock, Carl Field, Mrs. H. F. Cousins, Mrs. R. J. Flagg, Judge John Blaine, Miss May Farley, Mrs. Clarence Davidson, Mrs. Carl Field, Mrs. Arva Knowles and Miss Dortthy Merriman.

Many of the above groups and individuals have also gone on recory as being opposed to Proposition 13 which leaves unchanged the amounts required to be raised by the State for public school support. It's provisions are directly opposed to number 3. Proposition 13 is unlucky for the schools. Let's all vote, and vote YES on 3 and NO on 13.

GROCERY CHANGES HANDS

New owners of Boyd's Cash Grocery are Mr. and Mrs. Dan Bailey, formerly of San Jose. They have purchased the store from Mr. and Mrs. T. Boyd who have operated it for the past seven or eight weeks.

Located at Campbell Ave. near Dillon Ave., the store will have a grand opening in the near future.

Welcomed to Campbell with her parents is the Baileys' small daughter, "Sandy".

CORRECTION

Harry Evans says that the Jean May mentioned in last week's Spotlight is his wife and not his daughter.

Every week a name will be drawn from our list of new subscribers and printed in the classified ad column. The person whose name appears there may receive two free passes to the Campbell Theater by calling at the Press Office. Look and see if your name is there!

City Mail Delivery To Start When Post Office Finished

Ira Grim, postmaster, reports that mail delivery from door to door has been approved by the Post Office department for Campbell and will start as soon as the Post Office moves into it's new quarters now under construction on Campbell Ave. between First and Second Streets.

Under the new system there will be one foot carrier and one mounted carrier; the foot carrier will carry only letters and papers, while the mounted carrier will deliver parcel post.

Included in the new system will be the new subdivisions on the north and on the south, stretching from Budd Ave. out to California, and then to Milton and down to Latimer. Sunnyside Ave. will be included as will Dry Creek on the east as far as El Patio Drive and as far as Hamilton at Central and Harrison.

Rural routes will take in Empey Way, and the area by Big Boy Grocery as well as Sunnyoaks Ave.

Since many of the house numbers in Campbell are incorrect it will be necessary to see that all houses bear the correct numbers and that those houses not now numbered conform with the requirements.

It is believed that most of the business houses will retain their postoffice boxes in order to take advantage of the several mail deliveries arriving daily.

NEW RADIO REPAIR SHOP OPENS

Another newcomer to Campbell business life is George Neasham who has opened a radio repair shop in Ace Robbin's Service Station on Winchester Road. The new business, known as the Knob and Dial Radio Service, willl specialize in car radio repairing.

Neasham, a resident of Los Gatos, is a veteran of the Marine Corps in which he served for a year during the war. His radio experience includes a course at the San Francisco Pacific Radio School and practical experience in a radio repair shop in Burbank.

Supervisors Cancel Most Of Incorporation Area

McKinnon Makes Motion That Leaves Town Small Chance Of Becoming City

Petitioners before the County Board of Supervisors on Monday won an overwhelming victory when the Board passed the motion of Supervisor Joseph McKinnon to eliminate the lands of all protestants from the proposed city limits. McKinnon said he felt these people were minority groups who deserved the protection of the Board and that he did not feel it the duty of the Board to be interested in the assessed valuation of the small amount of territory left.

Before the Board cut more than half of the originally proposed limits, Richard Morton, attorney for the Campbell Taxpayers' Association, sponsors of the movement, pleaded with the Board not to cut the territory so much that those who favored incorporation would be forced to vote against it because it could not be self-supporting. He said that only by offering a workable territory, would the voters be given the democratic choice of deciding for or against incorporation. He also stressed the advisability of boundaries offering egress and ingress such as roads and streets.

Since the election is definitely scheduled to take place, members of the Campbell Taxpayers' Association are busy compiling the assessed valuation within the district left and computing the amount of income to be expected.

The matter is now left to District Attorney Leonard Avilla and County Surveyor Robert B. Chandler who are expected to have all property lines checked and be able to define the revised boundaries. Also requested by law is the number of people living within the proposed boundaries. The next step after this is the setting of the date for the election.

As the revised borders now stand the city would be roughly bounded on the north by a still undefined line south of Latimer Ave. and Hamilton Ave.; on the south by another undefined line north of Budd Ave.; on the west by the San Tomas Aquino Creek and on the east by the Los Gatos Creek.

Among those presenting additional written petitions and personal petitions for private property were R. Stoner, Mrs. Mary Jane Hargis, Orrie Grizzle, R. G. Fagan, Mrs. Dave Sanders nad Mrs. Bessie Young.

Community Chest Drive Under Quota

Martin Walsh, chairman of the Community Chest Drive, reports that the quota is still far from filled, being only at the half way mark. A meeting of workers was heid last night to organize a more concentrated drive into districts not fully covered.

"We must make a concerted effort to pitch in and raise our quota for such a worthwhile project," he said.

Among the workers who have done the door-to-door canvassing are Hans Hansen, Mrs. Ruth Livingston, Mrs. Earl Buck, Mrs. H. F. Cousins, Mrs. Leslie Fairchild, T. Putnam, Miss M. Fablinger, Mrs. M. Matovich, Mrs. Dorothy Lee Rich, L. O. Graves, L. "Dad" Lee, Mrs. Harold Drummond, Calvin Bohnett, C. P. Klassen, Wiliam Henley, Guy Farley, Joseph Agostinho, Miss Rachel Spradling, Herbert Shadle, Mrs. E. Duncan, Carl Field, Jack Murdock, Mrs. Ray Gilpatrick, Mrs. Alfred Conley, Mrs. R. Cramer, LBen Howard, Mrs. Ethan Lanphear, Louis Carboni, Mrs. Joseph Dahl, Mrs. M. F. Fields, Mrs. Dean Chamberlin, Lloyd Selig, Mrs. George Jeffers, Mrs. Raymond Flagg, Mrs. J. P. Morley, Mrs. R. Chambers, Mrs. Ralph Hyde, Mrs. Everett Nelson, Mrs. Virginia Hieser, Laurance Hill, Mrs. Clifford Gerlach, Dave Sanders, D. H. Cramer, Mrs. Otto Hansen and Mrs. K. Downing.

NOW STATIONED IN ALAMEDA

A frequent weekend visitor in Campbell is Lieutenant (j.g.) Paul Larkin, USN, son of Mr. and Mrs. Paul G. Larkin, who is now stationed at the Alameda Air Base after being in Cleveland since last March.

Paper Drive To Start Today

Campbell residents and other interested persons are reminded to get paper bundles ready for the combined High School PTA-student paper drive which will start on Oct. 31, with Nov. 5 slated as the big clean-up day. Cooperation is especially solicited of Campbell merchants who may have waste papers, and of families with no one in high school. Superintendent L. Hill promises all paper will be picked up if a call is placed with the High School, Campbell 3481. Paper may also be brought to the school now.

Both the PTA and students are concerned with the success of this drive, as half of the proceeds will go into the students' fund, plus an additional prize to the class bringing in most poundage; while the High School PTA has undertaken for this year's project two Peda-Spray machines, one machine for the boys already in use in the gymnasium, and one for the girls to be purchased as soon as funds are available.

The Peda-Spray machine is a disinfecting device used to control athlete's foot, with which so many of our High School students become afflicted.

So get those papers and magazines ready for the drive starting Oct. 31, and call Campbell 3481 if desiring help with your contributions.

COUNTY WIDE FIRE PROTECTION BEING PLANNED

District Attorney Leonard Avilla and County Recorder Charles Payne are now busy drawing up descriptions of the area to be included in the new county-wide fire district for areas now outside of fire districts.

HIGH SCHOOL PRESS CONFERENCE SCHEDULED

On Saturday morning members of the Central California High School Press Conference will meet at Stanford University for an all-day session under the sponsorship of Stanford Journalism department. Among the speakers will be well known California journalists.

Attending from Campbell Union High School will be Anthony Zeppa, Charles Savstrom and Katherine Stanton, representatives of the high school paper; and Chispa Gwynn, Bob Caldwell and Betty Bueno, representatives of the year book staff. They will be accompanied by Mrs. Louise Tordt, journalism instructor and advisor to the high school paper.

P. B. PAYNE ILL

P. B. Payne has been confined to his bed for some ten days with a bad case of bronchitis but is much better now.

LIQUOR FEES DISTRIBUTED

California cities and counties are about to share $3,191,058.65, representing half of the alcoholic beverage license fees for the first six months of 1946, according to an announcement made recently by George R. Reilly, Member of the State Board of Equalization from the First Equalization District.

Of this sum, shared on the basis of the location of licensed premises, $68,355.44 will be distributed in Santa Clara County, where $43,809.55 will go to the cities, and the balance to the unincorporated area in the county.

"Current allocations," said Reilly, "will bring the cities' and counties' share of State license fees to $35,536,640.09 since repeal of prohibition in 1933. This revenue has been collected and distributed by the State Board of Equalization at no cost to local governments. After deducting administrative expense, the remainder of the fee proceeds goes to the State General Fund."

EDITORIAL

The sharply curtailed boundaries imposed by the Board of Supervisors on the proposed incorporation casts a different light on the picture. Before voting on the matter many voters will want to know if the small area now to be voted on will be able to support itself. It is not inconceivable that it will be able to so do, since many other even smaller communities are incorporated, but the proponents of the plan must be able to present accurate figures on both the revenue and the expenses.

There are some residents who, all along, have felt that the small area would be preferable to the larger one first presented, but they too will want facts before going to the polls.

Last week two other small Peninsula towns were discussing incorporation. Millbrae has already presented its San Mateo County Board of Supervisors a petition for incorporation, and Half Moon Bay is taking a poll of its residents on the same subject. Perhaps Campbell proponents could meet with residents of these two towns and see how they are working their problems out in a dollar and cents way.

Ida "Rachel" Spradling, whose name means a godlike lamb, was born on Dec. 30 in Independence, Kansas. Her mother was a native Kansan and her father from Illinois. She was one of a family of five children, three girls and two boys.

The birthstone for December is the turquoise which stands for prosperity and success, and she early in life set out to make this come true. She went to high school in Palo Alto. After attending San Jose State for two years, she went to the Fashion Arts School in San Francisco.

Five years ago she came to Campbell, and soon after started the clothing store known as "Rachel's", which has been a great success. The places she wishes to visit someday are South America and England, and her hobby is collecting Oriental figurines.

Campbell Court Notes

By JUDGE BLAINE

Last week Campbell Court imposed another limit sentence, six months at the County Jail Farm, plus two years of probation. It was for theft.

Conviction was on circumstantial evidence. Accused of stealing a roommate's rifle, the defendant seemed to convict himself by contradictory statements and obvious falsehoods while under oath to tell the truth. He repeatedly perjured himself.

Given five days between conviction and sentence in the hope that he would make a clean breast of everything, he told more falsehoods, tried to pin the theft on others, and made silly threats. His own son declared that he was a worthless bum, too lazy to work and a pest to his own family.

In court for sentence he was invited to show that he had a single friend. He said, "Nobody around here knows me." His own son lived and worked in San Jose—and knew him. All others who had made contact with him were finding him out.

Having bluffed his way for years he was overwhelmed by sudden judgment. As a deputy sheriff was leading him from court he sank into a porch chair with nervous exhaustion. The deputy kindly waited for the unhappy man to pull himself together. After ten minutes or so the defendant was able to walk to the County car. He is now at the Jail Farm, and it remains to be seen if he can make a friend there.

If he runs true to past form he will complain of unfair treatment—and boast of riches, farms in the East, bank accounts itching for his checks, and inheritances only awaiting his easy proof of being rightful heir. If food prices soar, he may claim to know a formula for converting the moon into butter and cheese.

But the man might not have stolen that rifle after all. Nevertheless he perjured himself and proved that he deserved what he will receive in punishment. The experience may be educational. He may learn that it is worth while to merit a friend. He may even acquire some respect for truth. Possibly he will do some work.

GRAHAM STRESSES FIGHT AGAINST DELINQUENCY

Undersheriff Thomas G. Graham is continuing his active campaign for election to the office of Sheriff of Santa Clara County. Throughout the past week, Graham has appeared before groups from all walks of life.

He was endorsed by the Italian-American Citizens Federation of Santa Clara County at their meeting last week in San Jose. Graham was introduced by Attorney Raymond G. Callaghan, who spoke of the present undersheriff, saying, "Thomas Graham is of unquestioned character, as proved to you by our Grand Jury. Throughout this exhaustive study, our candidate's name was never mentioned. The reason—his character is—and always has been spotless!"

Graham has been stressing the importance of the fight against juvenile delinquency throughout the campaign. When he was invited to the luncheon meeting of the Mayfield Women's Civic League, he expressed his appreciation for the opportunity to speak on this subject.

"DUCHESS OF MALFI" TO OPEN

Assistant Professor James H. Clancy of San Jose State College will direct the Speech and Drama Department's production of John Webster's Elizabethan melodrama "The Duchess of Malfi" to open Wednesday, Nov. 5 and run through Saturday, Nov. 9, at the campus Little Theater.

Clancy, just returned from four years of service in the Army Air Corps, is well known in the Bay area for his excellence as an actor and director of the classics. At San Jose State he played the title roles in "Hamlet" and "Romeo and Juliet", directed "Twelfth Night" and was assistant director for "Macbeth". He also played Leontes in a Northwestern University production of "Winter's Tale".

Betty Jones of San Jose will play the Duchess and John Calderwood of Santa Cruz, Antonio, her husband. Director Clancy will take one of the supporting roles, that of Bosola, the villain.

The story is the conflict of clashing personalities, stated Professor Clancy. The Duchess, widowed young, wishes to remarry. She is opposed by her two brothers—is married secretly. When her marriage is discovered, tragic consequences follow.

Mr. D. W. McLellan
330 Coleridge Avenue
Palo Alto California

Dear Mr. McLellan:

This will acknowledge receipt of your letter of October 18th relative to Mr. Thomas G. Graham.

Mr. Graham served under me as Deputy United States Marshal from October 1st, 1933 to January 1st, 1939. He also served under my predecessor Mr. Esola for two years. I received such high commendation from Mr. Esola that I retained him. I always found Mr. Graham to be aggressive, conscientious and alert on the job. He showed a thorough knowledge and understanding of law enforcement problems and was a credit to the Department of Justice. When he left the office January 1st, 1939, to become Under-sheriff of Santa Clara County, it was with regret that we accepted his resignation.

Yours respectfully,

JUDGE BLAINE ANSWERS MR. WALSH

In attacking me last week my worthy opponent built me a platform from which to proclaim my own real and alleged assets. What I shall say will perhaps make him rather unhappy, but he brought it on himself. So here goes.

Twenty years ago I was asked by friends to accept appointment as Justice of the Peace of Campbell Township. I did not want this

job. To be "in politics" seemed foreign to my nature. However, I could think of no good excuse not to accept. So I let myself be appointed.

Once I put my hands to the handles of this plow I have not been able to let go, not conscientiously. The reasons have been many, but I need not try to name them. Enough to say that I have not been able to give up this job conscientiously. No, wait—let me be more definite.

I have perhaps some responsibility, some dependableness, some of what Mr. William Wolff called integrity. You call it what you will. Whatever it is ,this community can somewhat bank on it. And it seems to me that a community needs elected officials it can bank on. I have faults many, but I can be banked on. Faults and all, you know where to find me 20 hours a day, and the same hours. So it has been with this community and me for the last 20 years, every business day without exception.

To help make the next term of office my best a teaching daughter and I have formed a sort of public-service and economic partner-

ship. With two salaries in one household I can in effect make a part-time job a full-time job when necessary. Vocationally my days will be undivided. Fortunately I am not a practicing attorney. Hence I shall not have this complication as a handicap.

For public service let my worthy opponent work on committees and attend meetings. I believe that is perhaps his authentic role. For Campbell Township Justice, you had better vote for Judge John D. Blaine, a man you can bank on for what a judge job takes.

DON'T ALLOW THE MACHINE TO RETURN!

This isn't any time for kid gloves!

A vicious, corrupt machine has been operating in Santa Clara County. It lives on graft and corruption. It allows special privileges to those racketeers who will "pay off" — while it knocks over those who feel this is still the land of the free!

You've heard about this machine before. Our Grand Jury and District Attorney stopped it cold with a sweeping expose earlier this year. Now, the machine is attempting to regain a foothold by electing a Sheriff of its own choosing. Opposing this machine candidate is Howard Hornbuckle. The machine can't live without control of the Sheriff's office. Once you elect a free, independent Sheriff, it will wither and die!

That's the job that confronts every decent citizen this November. To back up the Grand Juries that have repeatedly confronted "the machine" with its own corruption!

It won't be an easy task. The machine is well organized—just like the average racket. It has unlimited money to spend. But, it lacks one thing—the decency of honest, fearless law enforcement!

Against this machine, the free-thinking, law-abiding citizens of Santa Clara County are solidly behind Howard Hornbuckle for Sheriff!

This is the issue of the campaign. Trained law enforcement with Howard Hornbuckle — or racket-control by the machine!

Could any issue be more clean-cut or vital to you and every other citizen of Santa Clara County?

This advertisement was written and paid for by local residents who believe the public should understand the BASIC ISSUES of the campaign for sheriff!

Report on State Grange Convention

By H. M. SHADLE,
Master, Orchard City Grange

The 74th annual convention of the California State Grange met in San Diego Oct. 15, 16, 17 and 18, with 427 regular delegates from 36 Pomona and 215 subordinate Granges in the State. These, together with the alternates and visitors, made an attendance of several thousand.

The convention h e a dquarters was the U. S. Grant Hotel, and most of the sessions were held in the Russ Auditorium, of the San Diego High School.

Much business of keen interest to the agricultural sections, and much that effects every resident of the State, was passed on. The delegates unanimously approved a resolution urging passage of Proposition No. 3 on the ballot, and was just as unanimous in disproving Proposition No. 13. Proposition No. 2 was disproved most vigorously, and they also asked for the defeat of No. 11, the so-called Fair Practices Act.

Resolutions coming from subordinate Granges asked that O.P.A. restrictions be removed from all agricultural products; attacked the Government's sugar rationing program; opposed Statehood for Hawaii; protested the importation of almonds and other nuts from foreign countries; supported public ownership of power generated through the Central Valley project. They also asked the State to increase old age pensions to $60 per month, and opposed the removal of the State Fair grounds from Sacramento.

State Executive Committeeman Harry Barnes, from Orchard City Grange, was re-elected, and Marshal Dopkins, of Colusa, was elected State treasurer.

Most of Thursday afternoon's session was devoted to a memorial service dedicated to members who died during the last year. The service was conducted by Leta Littler, of Los Angeles, State Grange chaplain, and honored our own Brother S. N. Hedegard.

A committee of five will be appointed by the State Master to investigate the liquor problem and make a report at the convention next year, which is to be held in Sacramento.

Did You Know

That some radio receivers use as high as 330 volts? This voltage is supplied by the power supply in the receiver, 110 volts being taken from the wall outlet and "stepped up" through a transformer to 350 volts ac. A rectifier (usually a tube converts this voltage to a direct current (dc) and various chokes and resistor distribute this throughout the radio. Television receiver voltages are as high as 4000 volts and some of them are marked with a skull and crossbones (such as found on a can of lye or some bottles of medicine) indicating that these voltages are deadly and for that reason the chassis should never be removed from the cabinet by a person inexperienced with such equipment.

And did you know that we can repair ANY radio or appliance whether it is of the vintage of 1921 or 1946, due to the fact that our serviceman is kept abreast of the modern trend in radios by the best technical magazines and the newest and best radionic equipment to be had?

LETTER TO EDITOR:

Dear Editor:

After reading letters from correspondents in your publication I thought it only fair to the general public to ascertain the true facts on the two important matters discussed. As secretary for The Campbell Taxpayers' Association, I feel it my duty to act conscientiously for the peoples' benefit, apart from any personal views. For this reason I contacted a reputable engineer, and together we inspected the creek, bridges and approaches. The result is that the engineer decided that the County authorities had done a good job in protecting the same, and there was no fear of them causing us further trouble. I am quite content to accept his professional opinion.

Regarding the matter of police protection—Another individual is responsible for circulating a report that adequate police protection could be secured from the County Sheriff and the Highway Patrol. I have interviewed these authorities, and they assure me that it is impossible to provide the necessary service, and advise me that incorporation is the only means of solving our difficulties.

Yours for a better Campbell,

GEO. E. ARLIDGE,
Secretary,
Campbell Taxpayers' Association.

Volunteers will serve for three hours each month for a six-month period, under the sponsorship of the State PTA Associations. A class of volunteers has been organized and this same course will be given in Campbell for the volunteers who are to work in the Childrens' Health Conference.

Those wishing to volunteer their services, but who are unable to attend the meeting above scheduled, may do so by calling Mrs. J. W. Knowles, Campbell 2083, or Mrs. J. R. Longfellow, Columbia 4364J.

SCOUTMASTER BACK FROM HUNT

By the Scout Reporter

"Bang! And down he went!" so spoke R. D. Herschbach, Scoutmaster of Troop 36, at a recent Scout meeting as he described his successful deer hunting trip to Modoc County from which he returned last week.

He and his equally lucky companions,, William and John Reid, each bagged a mule deer buck during the two-week trip. Previous to the Modoc trip Mr. Herchbach had killed a four-pointer on a trip to Nevada County.

At the request of his troop of Scouts, naturally interested in their Scoutmaster's wanderings, he told the tale from start to finish around the council fre.

With their Scoutmester's "buck fever" quenched the Scouts look forward to a Court of Honor in December. They also discussed the 1947 world jamboree to be held in France.

BALLET PROGRAM ANNOUNCED

The program announced for the Ballet Russe de Monte Carlo in San Jose on Monday evening, November 25, promises three of the most stunning ballets of the company's repertoire. "Ballet Imperial", a Balanchine ballet to music of Tschaikowsky, will open the program, as it did the season in New York City; "Le Bourgeois Gentilhomme", Balanchine, to music of Richard Strauss, will follow, and Agnes de Mille's "Rodeo" will climax the evening.

Agnes de Mille, made famous by her choregraphy of "Oaklahoma" and other musicals, has made a masterpiece in "Rodeo", which has been on the San Jose request list for three years.

THOMAS G. GRAHAM

To the People of Santa Clara County:

Unfortunately, my opponent has chosen to reduce his campaign for Sheriff to an extremely low level. In a last minute effort, he seeks to confuse the voters by false and scurrilous accusations which, because of their nature, hardly deserve the dignity of an answer.

I was born and raised in this valley, and I cherish my good name and reputation, which, for the forty-six years of my life, have remained unchallenged.

I do not intend to descend into the mire of political mud-slinging and filth, and my campaign will be conducted in the future, as it has been in the past, dealing only with facts, and in a manner befitting a gentleman. Respectfully,

THOMAS G. GRAHAM

I am taking this opportunity to answer on behalf of Under-Sheriff Graham and all of the deputies the unprovoked and malicious attack upon the character and integrity of the personnel in my office.

•

When the Grand Jury recently completed its investigation, wrongdoing by two men only was established, every other man in the office, including Under-Sheriff Graham, received a clean bill of health.

•

An independent investigation on my part supported the findings of the Grand Jury insofar as the innocence of all deputies, including Under-Sheriff Graham, was concerned.

•

All of the men have a civil service status which is a guarantee to the people of this County of honesty and efficiency. The men comprising the staff of the Sheriff's office today, plus men that may be added in the future, will during their tenure under civil service ptrform their duties with credit and distinction, as they have in the past.

•

To refer to any one or all of these men as comprising or being a part of a "machine" is despicable and worthy of the severest condemnation.

(Signed) WALTER S. GASPAR,
Sheriff of Santa Clara County.

VETERAN VOTERS

OF SANTA CLARA COUNTY

Recently a political ad appeared in the local papers signed by an unsuccessful primary election candidate for the office of Sheriff in which the signer endorsed the candidacy of the opponent of Undersheriff Thomas G. Graham. The endorsement was cleverly written so as to give the impression that Mr. Graham's opponent was a veteran and thereby had a special appeal to our veterans.

The True Facts Are:

1. **Neither Mr. Thomas G. Graham nor his opponent are veterans of the recent war.**
2. When war was declared in 1941, Mr. Graham was forty-two years of age and held the office of Undersheriff of Santa Clara County and has continued to hold that office to this day. During the war years, there was a critical shortage of trained peace officers, as evidenced by the records of all police departments and sheriffs' offices. Undersheriff Graham did not resign his office for a more lucrative job. Because of the great need, he continued to fulfill his job as a peace officer.
3. **In 1941, Mr. Graham's opponent was thirty-three years of age, and a member of the San Jose Police Department. In 1944, with the war still in progress, Mr. Graham's opponent saw fit to resign from the police department to enter private business.**
4. Undersheriff Graham has had more than twenty years of continuous service as a peace officer, many more years than his opponent's broken service as a policeman.
5. **We believe that Thomas Graham, with his excellent background of eight years Federal training in the Department of Justice, four years as Deputy Sheriff, and eight years as Undersheriff, is eminently well qualified for the position of Sheriff of Santa Clara County. Undersheriff Thomas G. Graham "deserves a promotion."**

Your merchants were surely enthusiastic about the new merchandise which they had received during the past week; they showed me enough to fill several columns. Looks as though we'd really be able to find a few of those scarce items for which we've been waiting so long.

Those much talked about automatic silex coffee makers are on the list of new arrivals at **The Campbell Hardware.** All you do is make the coffee and turn on the electric plate. When the coffee has been cooked for the proper amount of time, the heat automatically is turned down to the temperature necessary for keeping the coffee hot. You may serve it whenever you desire. Produced by the General Electric you can be assured of best quality. "Revere" lifetime stainless steel kitchenware sets have just been unpacked and are selling rapidly. White enamel cake covers and trays are guaranteed to keep your cakes fresh and would make grand Christmas gifts.

With colder weather coming on, you should have a baby bunting for your baby when she goes out for a ride. There are two styles at **The Dresser Drawer.** One has a zipper with detachable hood while the other is a blanket, but may be changed into a baby bunting by drawing up the triangular corner and using it for the hood. Both styles are of wool and come in pink or blue.

Don't ruin the appearance of your new costume by carrying a worn bag. **Rachel** has some elegant new Gamson bags in California saddle leather. In natural or black they will look well with any outfit. There are three styles; the large envelope, the smaller envelope, which are ideal for students, and the overarm strap style. Some tricky handmade leather coin purses with containers for both coins and bills are designed to save fumbling with small change. Ask to see them. The wide studded black and natural leather belts are just what you need to give a new look to last year's winter dress. They are the newest belts on display.

Benson and Jeffers assured me that it would rain any time now, and no doubt they were right. They were unpacking some mighty smart looking water repellent rain coats which won't last long once the men know they are here.

Use Milkmaid products and you can be assured of the best. A very complete line is now carried by **Clark's.** New travel cases containing all the products are a recent addition by the producers of Milkmaid products. The sets composed of two products come in several combinations such as cologne and dusting powder, or foam bath and dusting powder. Match make-up sets are popular with those who are particular about their make up. The "New major in beauty" sets are made particularly for those with dry or oily skins.

Those of you who have been waiting for the ceramic plaques will be glad to hear that more have arrived at **The What Not.** Decorative Pennsylvania Dutch plates for the wall with symoblic birds and flowers are also new additions. Darling ceramic baby picture frames which would be treasured by any mother are again available.

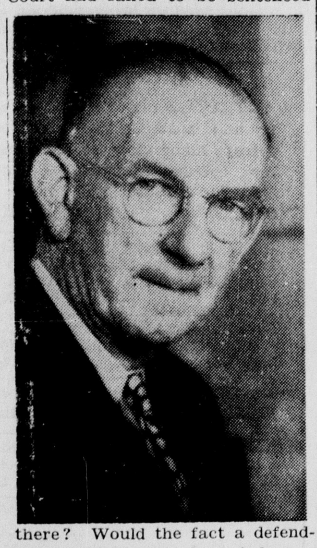
JUDGE OR PROSECUTOR?

Should a Justice of the Peace take credit for the fact that not a single defendant that a judge has held to answer to the Superior Court had failed to be sentenced



there? Would the fact a defendant held to answer by a judge reflect credit upon said judge, and if so, how?

The public should be acquainted with the fact that evidence produced in preliminary hearings is obtained by investigating officers, or is presented through the medium of other witnesses. The judge, in such cases, has no other function than to sit as a committing magistrate, and if he believes the evidence introduced is sufficient to warrant holding the defendant to the Superior Court, he makes such order.

In a political advertisement in the Campbell Press in the issue of October 24th, 1946, Judge Blaine said in part: "In these twenty years not a single defendant that Judge Blaine has held to answer to the Superior Court has failed to be sentenced there." Does this statement reflect credit upon a judge, or can the court take credit for the fact that the Superior Court had sentenced all defendants held to answer by Judge Blaine, when the truth of the matter is that a Justice of the Peace has absolutely nothing to do with apprehending or investigating or procuring any of the evidence introduced in his court, otherwise the judge could be disqualified for bias or prejudice. Credit having been taken for all these sentences in the past twenty years, it may be in order to review the case of the People vs. Ray Solomon.

Ray Solomon was taken from his home in Campbell at a late hour of the night on a warrant without said warrant having endorsed thereon the amount of bail on which said defendant could be released, and also said warrant did not contain a statement that it could be served at night. Ray Solomon was arrested for misdemeanor violation, to-wit: battery. The Penal Code of the State of California provides as follows: "An arrest may be made on any day, and at any time of the day or night, if the offense charged is a felony. If the offense is a misdemeanor, the arrest cannot be made at night, unless upon the direction of the magistrate, endorsed upon a warrant, except when the offense is committed in the presence of the arresting officer."

Ray Solomon was taken to the County Jail and held there for three days without bail, in violation of the provision of the State Constitution which states that "Under the provisions of the State Constitution all persons charged with crime in other than capital cases are bailable, and excessive bail shall not be required."

Notwithstanding the constitutional provisions cited above, Judge Blaine fixed the bail in the Solomon case at $500.00 cash, or a $1,000.00 bond, and the irony of it all is that Ray Solomon was found not guilty when tried before Judge Bell sitting for Judge Blaine in the Campbell court after Judge Blaine had disqualified himself to hear the case. And little wonder that he should disqualify himself to hear the case after the proceedings which took place wherein the defendant, Ray Solomon, was denied his legal and constitutional rights, not only at the time of the arrest, but his subsequent confinement in the County Jail due to the fact that excessive bail was fixed in this case, contrary to the law of the State of California which reads: "The sole purpose which should guide the court or judge in fixing the amount of bail in any case, in which bail is allowed, should always be to secure the personal presence of the accused to answer the charge against him. It is not the intention of the law to punish an accused person by imprisoning him in advance of his trial."

Let's protect our constitutional rights!

ELECT MARTIN S. WALSH, an impartial, unbiased and fair candidate for the office of Justice of the Peace of Campbell Township.

GRANGE HEARS AMENDMENTS DISCUSSED

At the meeting of Orchard City Grange on Oct. 22, Attorney John Burnett gave a very informative talk on the amendments to be voted on in this election. Herbert Shadle, Worthy Master, reported on the State Grange convention that convened in San Diego.

A girls' trio, composed of Misses Shirley Courtney, cellist; Patricia Wood, violin, and Loraine Wood delighted the friends with several numbers.

The next meeting will be held Tuesday, Nov. 12, in IOOF Hall, with a potluck supper at 6:30. Dr. Geo. Bruntz, of Los Gatos will speak at 8:30 on the subject "China's Place in World Affairs." There will also be special music.
